Title: ISSUANCE OF STATE PERMIT TO MINE/GOLDSTRIKE Federal \$ N/A
MINE Supplemental _____

Description: tenneco Minerals Company will mine several open pits within the area designated for disturbance. Gold ore will be removed, crushed and deposited on leach pads. The crushed ore will be leached with a cyanide solution on open pads. Mining will commence in 1988 and continue through 1997. Following mining, the site will be reclaimed and the leaching facilities decommissioned. The operator has posted a \$494,000 bond with the Division. The bond will be increased after input from DWPC is received.

COMMENTS

The Division of Oil, Gas and Mining is completing its permitting process for the operation of the Tenneco Goldstrike Mine in western Washington County. The County has provided all necessary clearances for the project. The Steering Committee has already given written support to this project. (Ken Sizemore)
